

TDOT Environmental Supervisor

NEPA (2 Positions)

This position will be responsible for supervising staff within the Environmental Division responsible for compliance with the federal National Environmental Policy Act (NEPA) as it relates to transportation projects. The NEPA Law requires TDOT must comply with a vast array of regulations in order to use federal funding for its projects, including such areas as ecology, endangered species, air pollution, noise, hazardous materials, historic preservation, archaeology, and many other environmental regulations. This person is responsible for overseeing a large number of projects to ensure completeness and that the schedule is maintained, performing quality checks on all NEPA documents for accuracy and completeness, ensuring document distribution and storing/filing are properly completed. Candidates with an advanced working knowledge of NEPA preparation, as it relates to transportation and environmental studies are highly desired.
