- R Required for the team member
- S Will be considered in the Scoring
- S\* If any inspector performs this work; certification is required.

This matrix to be used for scoring purposes only. Number of inspectors may vary based on Regions staffing needs during the duration of the contract.

# Stream mitigation inspector to have completed design, construction, or oversight of at least 3 stream restoration projects per 5/3/2024 TDOT Memo [Natural Stream Mitigation Inspections](#). Rosgen or NC State University course work is preferable but not required.
