| REMARKS: | <p>Philip and Clint,</p> <p>Attached is a spreadsheet with information for the points that were outside of the original survey area. These are the areas mentioned in Batch 14's submittal email to you. TDOT has surveyed the N&E of the points and provided a ground elevation. I have applied the depth to the point taken (highlighted in yellow). Please note that TDOT was unable to locate the flag for point W2 in the field. TDOT shot the N&E provided as well as an adjacent CB. No revised TIN was provided so the points in the spreadsheet will not be plotted on the profiles.</p> <p>If you have any questions please let us know.</p> <p>Thank you.</p> <p>C.J. Tong, P.E.
