

## Who we are:

TDOT is a multimodal agency with responsibilities in aviation, public transit, waterways, railroads, and cycling and walking.

The Department of Transportation (TDOT) has close to 4,100 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson. TDOT's headquarters is located in downtown Nashville.

## What we do:

The Tennessee Department of Transportation (TDOT) provides citizens and travelers of Tennessee with one of the best transportation systems in the country.

### **Graduate Transportation Associate**

Regional Operations – Materials & Tests

**County Locations:** Davidson

**Compensations:** \$4,240.00/month with BSCE & \$4,452.00/month with MSCE

### **Overview**

TDOT is comprised of 4 regional locations, with each being responsible for materials testing in their respective locations. Major areas of operational responsibilities in the regions are highway maintenance and repair, construction engineering, traffic and highway marking, bridge repair and inspection, state aid program and administration, materials and tests, garage and procurement, and office administration.

Other key responsibilities include management of project processes and status to ensure timely and fiscally responsible delivery of state highway transportation projects adhering to state and federal rules and regulations.

### **Responsibilities**

The Regional Materials & Tests GTA will be responsible for overseeing the regional mobile reflective program. The GTA's responsibilities include reviewing certifications and reports for final estimates on contracts, operating equipment used to evaluate reflective properties of pavement markers, coordinating testing with personnel and creating reports and maintaining documentation based on test results.

### **Qualifications**

A Bachelor's or Master's degree in Civil Engineering is required. Additionally, the GTA must pass the Fundamentals of Engineering (FE) Examination within eleven months of employment.

The ideal GTA candidate will have basic knowledge of construction materials, able to read plans and shop drawings, and able to communicate effectively with small and large groups.

**Applications must be submitted online in order to be considered for the position.**
