

Who we are:

TDOT is a multimodal agency with responsibilities in aviation, public transit, waterways, railroads, and cycling and walking.

The Department of Transportation (TDOT) has close to 4,100 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson. TDOT's headquarters is located in downtown Nashville.

What we do:

The Tennessee Department of Transportation (TDOT) provides citizens and travelers of Tennessee with one of the best transportation systems in the country.

Graduate Transportation Associate Regional Project Development – Technical Survey

County Locations: Hamilton

Compensations: \$4,240.00/month with BSCE & \$4,452.00/month with MSCE

Overview

TDOT is comprised of 4 regional locations, with each being responsible for technical survey in their respective locations. Major areas of project development responsibilities are design and project delivery, technical right-of-way and utilities, survey and environmental planning.

Other key responsibilities include management of project processes and status to ensure timely and fiscally responsible delivery of state highway transportation projects adhering to state and federal rules and regulations.

Responsibilities

The Technical Survey GTA's responsibilities include coordinating activities of the survey unit and analyzing project data, and create accurate layout files with all appropriate features. Additionally, the GTA will survey all affected property lines and underground utilities, and provide the location of existing and proposed ROW and easements. The GTA will use Microstation, Geopak and other computer software to create accurate layout files in accordance to TDOT standards.

Qualifications

A Bachelor's or Master's degree in Civil Engineering is required. Additionally, the GTA must pass the Fundamentals of Engineering (FE) Examination within eleven months of employment.

The ideal GTA candidate will have basic experience in drafting software and survey equipment, enjoys working in an outdoor environment and has strong communication skills.

Applications must be submitted online in order to be considered for the position.
