

Who we are:

TDOT is a multimodal agency with responsibilities in aviation, public transit, waterways, railroads, and cycling and walking.

The Department of Transportation (TDOT) has close to 4,100 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson. TDOT's headquarters is located in downtown Nashville.

What we do:

The Tennessee Department of Transportation (TDOT) provides citizens and travelers of Tennessee with one of the best transportation systems in the country.

Graduate Transportation Associate

Regional Operations - Maintenance

County Locations: Coffee, Davidson & Sumner

Compensation: \$4,240.00/month with BSCE & \$4,452.00/month with MSCE

Overview

TDOT is comprised of 4 regional locations, with each being responsible for maintenance operations in their respective locations. Major areas of operational responsibilities in the regions are highway maintenance and repair, construction engineering, traffic and highway marking, bridge repair and inspection, state aid program and administration, materials and tests, garage and procurement, and office administration.

Other key responsibilities include management of project processes and status to ensure timely and fiscally responsible delivery of state highway transportation projects adhering to state and federal rules and regulations.

Responsibilities

The Maintenance Operations GTA's responsibilities include managing daily maintenance operations or routes, monitoring Resurfacing Program and 3-Year Resurfacing Plan, and attending meetings for potential resurfacing projects. Additionally, the GTA will identify infrastructure issues and needs of highway components, assist in the production of snow routes, and manage environmental compliance for maintenance facilities and contracts, such as guardrail location and in-place paving.

Qualifications

A Bachelor's or Master's degree in Civil Engineering is required. Additionally, the GTA must pass the Fundamentals of Engineering (FE) Examination within eleven months of employment.

The ideal GTA candidate would be adept at multitasking, has good communication and decision making skills, and is able to communicate with internal and external business partners.

Applications must be submitted online in order to be considered for the position.
