TDOT Safety Coordinator

TDOT Region 3 Administration

Location: Nashville, TN

Compensation: \$3,710.00 - \$5,938/month

Overview:

TDOT is currently accepting applications for our Region 3 Safety Coordinator position. This position's job duties would include Occupational Health & Safety, facility inspections, work zone safety coordination, accident investigation, workers compensation coordination, coordinating our Alcohol & Drug Testing program and working with our vendors and safety program training for the twenty-six counties in the middle Tennessee area.

Responsibilities:

Oversee safety and risk management for the region

Provide safety training to staff as needed

Work with employees and supervisors to create a safe working environment

Respond to medical, roadside, work site and other emergencies as required

Communicate with staff and/or business partners through reports, e-mails, memos or by phone

Travel within this region is required

Qualifications:

Graduation from an accredited college or university with a bachelor's degree in safety, engineering, environmental science, physical sciences (e.g. physics, chemistry, geology), life sciences (e.g. biology, microbiology, health physics or biophysics), or other related field and experience equivalent to one year of full-time increasingly responsible professional occupational safety or health inspection work.

Substitution of Education for Experience: Additional qualifying graduate coursework in one of the above fields may be substituted for the required experience, on a year-for-year basis, to a maximum of one year.
