## Transportation Project Specialist/Civil Engineer

Region 2 Bridge Inspection

Location: Cumberland County

Compensation: \$4,675/month for Bachelors or \$4,909/month for Masters/PE

### Overview

The Tennessee Department of Transportation is currently hiring full time civil engineers for Region 2 Bridge Inspection unit in Cumberland County.

Region 2 is responsible for the department operations that cover the lower East Tennessee area of the state, as well as part of Middle Tennessee. Major areas of operational responsibilities are highway maintenance and repair, construction engineering, traffic and highway marking, bridge repair and inspection, state aid program and administration, materials and tests, highway beautification, environmental planning, and office administration.

### Responsibilities

Perform bridge inspections in accordance with established inspection guidelines in the National Bridge Inspection Standards, the Manual for Bridge Element Inspection, the TDOT Bridge Inspection Procedures Manual, in order to ensure the public safety.

Attend site visits to identify high risk areas, locating and documenting defects and creating engineering reports that include all bridge data, detailed defects, and repair recommendations.

### Qualifications

Bachelor's or Master's degree in Civil Engineering

One (1) year of full-time professional civil engineering work

Must have passed the FE (Fundamentals of Engineering) exam

### Applications must be submitted online in order to be considered for the position.

Interested applications should apply online at: <https://www.tn.gov/tdot/human-resources-home/tdot-careers.html>
