

ANNA Miller

Quality Analyst,
HQ IT Division

You Rock!

Thank you, for going the extra mile!

Anna is responsible for ensuring that our software development team's applications provide a good user experience and are free from errors. She does a wonderful job of catching things we've missed despite our repeated testing. Her ability to put herself in the mindset of a typical user, her empathy for our customers, and her dedication to continuous improvement are stellar. We are very blessed to have her on the DWR app development team and owe much of our success to her hard work!

BRADLEY Vaughn

TDOT Operations District Super,
Region 1 District 19

You Rock!

Congratulations!

Congratulations to Region 1 employee Bradley Vaughn for getting his Professional Engineering License in June! Brad is the District Supervisor for District 19 North and has been with TDOT for 7 years. He is a native of Morristown, TN where he graduated from Morristown East High School. He continued his education at Walters State Community College before receiving his Bachelor's Degree in Civil Engineering from Tennessee Technological University. He started his career in Materials and Tests where he stayed for four years before transferring to operations where he has been since. He has overseen many construction and maintenance projects including a \$32 million project for the widening of US 411 (SR 35) in Jefferson County. Outside of work he enjoys spending time with his wife, Lindsay, and his new born son, Graham.

CHRIS

Compson

Business Tech Support - INT,
HQ IT Division

You Rock!

Thank you, for going the extra mile!

I would like to express my sincere gratitude for the constant and consistent stellar customer service the IT Division provides to TDOT. I would specifically like to thank Matt Inyart and Chris Compson for their assistance with several onboarding issues for a new employee. They both acted fast and resolved the issues to get the new hire up and running quickly. I appreciate their willingness to drop what they were doing to help out without giving it a second thought. TDOT's Service Desk team is the absolute best!

ERIC

Kim

Transportation Project Specialist SPV 1,
Region 1 Project Development

You Rock!

Congratulations!

Eric Kim recently achieved a significant milestone by passing the Professional Engineering Exam! Eric is a dedicated engineer with over five years of experience in Roadway Design. He has established himself as a valuable asset to the TDOT team. Eric holds a Bachelor's degree in Civil Engineering and a Master's degree in Construction Materials from Clemson University, providing him with a comprehensive understanding of the field. Congratulations Eric!

JAMES Dunlap

TDOT Operations Technician SPV,
Region 2 District 29

You Rock!

You make TDOT great!

James leads his team with integrity and pushes them to be the best they can be. He shows compassion with his fellow workers. He is a true asset to the TDOT Family!

JASON Farmer

TDOT Operations District MGR,
Region 1 District 17

You Rock!

You make TDOT great!

Jason is the District 17 Manager and is such a great person to work with. When he is not coaching baseball or football in his community he is coordinating the local communities and maintaining the state routes in the district. He doesn't know what it means to give up and doesn't stop until the job is done. It is that kind of dedication that makes Region 1 and TDOT great! Thanks for your sacrifice and all the time you give to the state.

JEFF Light

TDOT Technician,
HQ Long Range Planning Division

You Rock!

Thank you, for going the extra mile!

Jeff is a traffic counter for the Long Range Planning Division. He and his teammate, Todd, generally work alone, in traffic placing traffic counting equipment, and sending the results to HQ. It may sound simple but without these guys, none of us would have the data we need to do our jobs. This team has over 50 years with TDOT combined and we thank you. We could not do our jobs without you!

MATT Inyart

Network Ops Administrator Lead,
HQ IT Division

You Rock!

Thank you, for going the extra mile!

I would like to express my sincere gratitude for the constant and consistent stellar customer service the IT Division provides to TDOT. I would specifically like to thank Matt Inyart and Chris Compson for their assistance with several onboarding issues for a new employee. They both acted fast and resolved the issues to get the new hire up and running quickly. I appreciate their willingness to drop what they were doing to help out without giving it a second thought. TDOT's Service Desk team is the absolute best!

REBECCA Williamson

Transportation Project Specialist 3,
HQ Structures Division

You Rock!

Congratulations!

Rebecca is a Transportation Project Specialist 3 at Headquarters Structures Division (Region 3 - Bridge Design). She recently took the Principles and Practice of Engineering (PE) exam and passed. She is now a licensed professional engineer in the State of Tennessee. Congratulations to Rebecca on this major achievement!

TODD Pierce

TDOT Technician,
HQ Long Range Planning Division

You Rock!

Thank you, for going the extra mile!

Todd is a traffic counter for the Long Range Planning Division. He and his teammate, Jeff, generally work alone, in traffic placing traffic counting equipment, and sending the results to HQ. It may sound simple but without these guys, none of us would have the data we need to do our jobs. This team has over 50 years with TDOT combined and we thank you. We could not do our jobs without you!
