

## Who we are:

The Tennessee Department of Transportation provides citizens of Tennessee and travelers with one of the best transportation systems in the country. TDOT is a multimodal agency with responsibilities in building and maintaining roads, aviation, public transit, waterways, railroads, cycling and walking. Our involvement ranges from airport improvements to funding transit buses to planning for river ports.

The Department of Transportation has more than 3,400 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville and Jackson. TDOT's headquarters is located in downtown Nashville.

## What the Division does:

The Construction Offices are responsible for providing a timely delivery of construction projects providing increased mobility and capacity options for multimodal users. Regional Construction offices work hand in hand with communities, state, and local partners to provide strong strategic relationships and coordinated service to our customers.

### **TDOT Intern District 37 Construction Location: Nashville, TN Compensation: \$21.00/hourly**

#### **Overview**

The Tennessee Department of Transportation is currently hiring a student intern for the Region 3 Construction offices located in Nashville, TN. These offices support Davidson and Williamson counties. The construction intern will become familiarized with the project documents including plans and specifications. The intern will spend time on site and in the office to be able to assist the Team Lead and project specialist in completing weekly and monthly project updates, help gather information for generating monthly estimates and resolving any discrepancies. They will assist project specialist with tracking information. The intern will also shadow the field technicians to learn about hands on testing techniques. Additionally, the internship will provide the opportunity to help develop the scope of work for future projects.

#### **Responsibilities**

- Compile data, quantities, test sheets, T2s and certs for a monthly project estimate.
- Oversight of assigned construction projects,
- Attending various project specific meetings to gain general knowledge of TDOT Construction.
- Assist in running pre-construction/progress meetings.
- Assist in the development and review of current and future resurfacing plans.

#### **Qualifications**

- Engineering discipline, or construction management major required.
- Graduate Student, Junior, or Senior Class Status required as of May 2025 OR recent Graduate as of Spring 2024.
- Legally authorized to work in the U.S.
- Familiarity with construction and foundational transportation engineering concepts.
- Strong written and oral communication skills.

To be considered for this position, please visit the [TDOT Summer Internship Program](#) website and submit an application.

**Please attach a two (2) page maximum résumé and a transcript to your application.**

**Applicants will be required to provide an academic portfolio showcasing academic achievements, experience, and knowledge.**
