

Who we are:

The Tennessee Department of Transportation provides citizens of Tennessee and travelers with one of the best transportation systems in the country. TDOT is a multimodal agency with responsibilities in building and maintaining roads, aviation, public transit, waterways, railroads, cycling and walking. Our involvement ranges from airport improvements to funding transit buses to planning for river ports.

The Department of Transportation has more than 4,000 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville and Jackson. TDOT's headquarters is located in downtown Nashville.

What we do:

The Construction offices work with communities and local partners to achieve timely delivery of construction projects providing improved transportation options for multimodal users.

TDOT Intern
District 37 Construction
Locations: Nashville, TN
Compensation: \$16.00/hourly

Overview

The Tennessee Department of Transportation is currently hiring student interns to work in the regional Construction office located in Nashville, TN. These interns will assist with construction inspection, environmental inspection, traffic control inspection, construction site safety, and material sampling on roadway and bridge projects throughout the surrounding geographic area.

Responsibilities

- Conduct site inspections on a variety of highway construction projects (widening, new construction, resurfacing, signals, safety improvements, etc.).
- Participate in inspections on several different types of projects related to bridge repair and construction, drainage systems, resurfacing, grade work, and safety projects.
- Record Construction Project activities in SiteManager.
- Assist in the preparation of documents necessary for payments to contractors.
- Attend materials testing classes, if available, to obtain certifications for materials sampling and testing.
- Assist in performing environmental and traffic inspections on active jobsites.
- Measure and record quantities for construction projects.
- Learn to read/interpret construction plans, standard drawing, and TDOT specifications.

Minimum Qualifications

- Civil Engineering, or Construction Management major required.
- Junior, or Senior Class Status required as of May 2021 OR recent Graduate as of Spring 2020.
- Legally authorized to work in the U.S.
- Familiarity with foundational transportation engineering concepts.

Please attach a two (2) page maximum résumé and a transcript to your application.

Selected candidates will be required to provide two letters of reference (professional, or personal).

Pursuant to the State of Tennessee's Workplace Discrimination and Harassment policy, the State is firmly committed to the principle of fair and equal employment opportunities for its citizens and strives to protect the rights and opportunities of all people to seek, obtain, and hold employment without being subjected to illegal discrimination and harassment in the workplace. It is the State's policy to provide an environment free of discrimination and harassment of an individual because of that person's race, color, national origin, age (40 and over), sex, pregnancy, religion, creed, disability, veteran's status or any other category protected by state and/or federal civil rights laws.
