

Who we are:

TDOT is a multimodal agency with responsibilities in aviation, public transit, waterways, railroads, and cycling and walking. Our involvement ranges from airport improvements to funding transit buses to planning for river ports.

The Department of Transportation (TDOT) has close to 4,100 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson. TDOT's headquarters is located in downtown Nashville.

What we do:

The Tennessee Department of Transportation (TDOT) provides citizens and travelers of Tennessee with one of the best transportation systems in the country.

TDOT ENVIRONMENTAL STUDIES SPECIALIST

NEPA Programs Office, General NEPA Section

Location: Nashville, TN

Compensation: \$3,710.00/month to \$5,938.00/month

Overview

The Tennessee Department of Transportation (TDOT) Environmental Division NEPA Programs Office (NPO), General NEPA Section is currently **hiring one full-time Environmental Studies Specialist in Davidson County**.

The NPO is responsible for ensuring coordination and document compliance with the National Environmental Policy Act (NEPA) and associated regulations and guidelines for federally funded projects, in association with the Federal Highway Administration (FHWA). The General NEPA Section within the NPO is primarily responsible for the development of Categorical Exclusion (CE) level NEPA documents and state level Transportation Environmental Evaluation Reports (TEER).

Responsibilities

- Development of quality NEPA documents, primarily ranging in complexity from basic to moderate, within the TDOT project development schedule
- Development of TEERs for state-funded projects
- Maintenance of detailed project files that document the NEPA decision
- Attendance of project-related meetings for assigned projects

Qualifications

- Education: Graduation from an accredited college or university with a bachelor's degree
- Experience: At least one year of full-time professional experience in environmental programs, environmental studies, or cultural resources
- Substitution of Education for Experience: Graduate coursework may be substituted for the required experience on a year-for-year basis, to a maximum of one year (24 semester hours is equivalent to one year)
- Substitution of Experience for Education: Qualifying professional environmental program, environmental studies or cultural resources experience obtained as a Full-Time TDOT employee may be substituted for the required education, on a year for-year basis, to a maximum of four years

Special skills, knowledge or experience desired

Experience interpreting roadway plans, technical writing, and excellent communication skills

Applications must be submitted online to be considered for the position.
