

Who we are:

TDOT is a multimodal agency with responsibilities in aviation, public transit, waterways, railroads, and cycling and walking. Our involvement ranges from airport improvements to funding transit buses to planning for river ports.

The Department of Transportation (TDOT) has close to 4,100 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson. TDOT's headquarters is located in downtown Nashville.

What we do:

The Tennessee Department of Transportation (TDOT) provides citizens and travelers of Tennessee with one of the best transportation systems in the country.

Transportation Project Specialist/Project Manager

TDOT Aeronautics Division

Location: Nashville, TN

Compensation: Salary Range \$4,091 - \$6,546 per month

Overview

The Tennessee Department of Transportation is currently hiring a full-time civil engineering professional for our TDOT Aeronautics Division located in Davidson County.

The Aeronautics Division supports, promotes, and delivers services that encourage and enhance a sustainable, efficient, and safe air transportation system in Tennessee. The division provides financial and technical assistance to publicly owned airport operators for the planning, development, promotion, construction, and operation of public-use airports throughout the state.

Responsibilities

- Work with local municipalities and airport authorities to assist with the development of grant requests
- Ensure Federal Aviation Administration and TDOT grant compliance
- For assigned airport projects, contribute oversight during the design phase to ensure FAA and state standards and requirements are met
- Work with the assigned airport during the bidding of construction plans and throughout the construction phase to ensure the project is completed in accordance with all plans and specifications
- Monitor the aviation project engineering and construction budget to help prevent unnecessary budget overages and time delays
- Provide oversight of contract billing
- Provide technical guidance to the airport sponsor or sponsor's representative during all phases airport construction
- Other tasks as assigned

Qualifications

- B.S. Civil Engineering from an ABET accredited college or university, and
 - Experience equivalent to one year of full-time professional engineering work that may include student assistant or college seasonal civil engineering work with the State of Tennessee
- OR
- M.S. in Civil Engineering from an ABET accredited college or university.

Applications must be submitted online in order to be considered for the position.

Interested applications should apply online at: <https://www.tn.gov/tdot/human-resources-home/tdot-careers.html>
