

Who we are:

TDOT is a multimodal agency with responsibilities in aviation, public transit, waterways, railroads, and cycling and walking. Our involvement ranges from airport improvements to funding transit buses to planning for river ports.

The Department of Transportation (TDOT) has close to 4,100 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson. TDOT's headquarters is located in downtown Nashville.

What we do:

The Tennessee Department of Transportation (TDOT) provides citizens and travelers of Tennessee with one of the best transportation systems in the country.

TDOT Technician – Drill Crew Member

HQ Materials and Tests Division

Location: Nashville, TN

Compensation: \$31,236/year

Overview

The Tennessee Department of Transportation is currently hiring a full-time TDOT Technician professional for our HQ Materials and Tests Division's Geotechnical Engineering Section location in Davidson County.

The Geotechnical Engineering Section (GES) delivers statewide geotechnical support during the design and construction process of regularly scheduled improvement projects, such as bridge replacements, retaining wall installations, roadway widenings, and existing rockfall hazards. GES also supports unscheduled emergency projects which could include landslides, rockfalls, and sinkholes.

Under the direct supervision of the supervisor, the TDOT Technician will perform and/or assist with routine drilling, sampling, and well installation tasks; as well as, perform routine mechanical work necessary to maintain equipment in operating condition.

Responsibilities

- Open and reassemble sampling devices.
- Operate all vehicles capable of over-the-road travel per state, federal, and local laws.
- Obtain and maintain a Class "A" CDL driver's license within 11 months of hire.
- Follow written corporate safety policy.
- Perform and/or assist in routine equipment maintenance and repair.
- Prepare sampling and drilling equipment for use.
- Package and preserve samples as directed.
- Backfill and repair pavement at completed borehole sites.
- Prepare equipment and procure project supplies for future projects.
- Perform other duties as requested.

Qualifications

- High school diploma or GED.
- Prior experience preferred but not required.
- Able to pass drug, alcohol and driving record screening.
- Able to perform heavy physical exertion including work under temperature extremes.
- Able to travel frequently with routine consecutive overnight stays.

Applications must be submitted online in order to be considered for the position.

Interested applications should apply online at: <https://www.tn.gov/tdot/human-resources-home/tdot-careers.html>
