- **Safety Monday.** This week Field Services Specialist Jonathan Payne and Data and Policy Supervisor Eli Jones want to talk about a special time of year: back to school. That means more vehicles on the roads in the mornings and evenings, and more chances to be involved in vehicle accidents. If you have school-age kids, you know this time of year can be chaos. And in the chaos, not everyone is paying attention as they should. To help remind you of the hazards, Jonathan and Eli are here with a Trapper Keeper full of the information you won't want to miss.
- **Weekly Wellness.** Be Kind to Humankind Week is August 25 – 31. It's a chance for us to set aside time to reflect on what we can do to make this world a better place. Research shows acts that benefit another person are emotionally rewarding. A kind word or helpful gesture can go a long way. Why not set aside time every day this week to do something nice for others? Here are some ideas to help you get started: [Volunteer Tennessee](#) & [Music City Volunteer](#).
