About TDOT Op Techs

TDOT is currently looking for motivated individuals to serve as TDOT Operations Technicians. TDOT Operations Technician's perform a variety of job responsibilities including:

- Performing labor and data collection work of average difficulty in the area of highway construction
- Inspecting roadway and bridge construction projects.
- Conducting routine road maintenance such as pothole patching, removal of large debris, and driving a dump truck.
- Assisting with routine snow and ice removal along with pretreatment of the roads before snow storms

Who We Are

TDOT is a multimodal agency with responsibilities in building and maintaining roads, aviation, public transit, waterways, railroads, cycling and walking.

The Department of Transportation (TDOT) has over 4,000 employees statewide with regional facilities in Knoxville, Chattanooga, Nashville, and Jackson.
