

Community Transportation Senior Planner

TDOT Planning Spec-Adv – 1 Position

The Long Range Planning Division Community Transportation Senior Planner will assist in the Division's development and implementation of strategies that coordinate the State's land management and transportation infrastructure needs.

Works in a unit responsible for transportation planning duties in the Office of Community Transportation (OCT). May be assigned to work in any area of transportation planning and may participate in the varied development, monitoring, and coordination of transportation planning projects. Assists in the development of guidelines for coordination of land use and transportation decisions between state and local entities.

Assists in the development of rural regional transportation plans, corridor management agreements, and various transportation plans. Provides technical assistance to local community partners, Metropolitan Planning Organizations and Rural Planning and Consultation Organizations. Participates in regular collaborative opportunities with metropolitan transportation planning organizations, rural transportation consultation organizations, cities, and counties.

Reviews new and established federal, state, and local plans and policies and makes recommendations for implementation. Maintains a comprehensive, current knowledge of applicable policies, procedures, programs, codes, regulations and standards; conducts research and maintains an awareness of new issues, methods, equipment, trends and advances in the profession; reads professional literature to stay up to date with best practices; maintains professional affiliations; participates in continuing education activities; attends meetings, conferences, workshops and training sessions as appropriate.

Attends meetings, serves on committees, and makes presentations as needed; participates on review committees, policy committees, or other committees; represents the department at public meetings and statewide events.

One senior planner position is open in Chattanooga, Tennessee. This position will require occasional statewide travel.
