

TDOT Environmental Studies Specialist (TESS)

NEPA Section –2 Positions

This position will be responsible for compliance with the federal National Environmental Policy Act (NEPA) as it relates to transportation projects. The NEPA Law requires TDOT must comply with a vast array of regulations in order to use federal funding for its projects, including such areas as ecology, endangered species, air pollution, noise, hazardous materials, historic preservation, archaeology, and many other environmental regulations. This person is responsible for overseeing a large number of projects to ensure completeness and that the schedule is maintained, collecting and analyzing project related data, writing and reviewing NEPA documents, document distribution and storing/filing. Candidates with a basic working knowledge of NEPA preparation, as it relates to transportation and environmental studies are highly desired.
